DEC 6 1951

HEMORANDUM FOR: THE SECRETARY OF DEFENSE

SUBJECT:

Medical Support

- of the Office of the Secretary of Defense, be authorised to meet with a representative of this Agency primarily for the purpose of discussing overseas medical problems of CIA and possible means whereby the medical services of the three departments might provide additional support to the present CIA Medical Program.
 - 2. It is believed that this would provide adequate advice and guidance to both the Armed Services and this Agency for subject needs, and a means for reselving mutual problems in the best interests of all concerned.
